RE: Firearms Policy Foundation (FPF) and Firearms Industry Consulting Group (FICG) vs. U.S.  
Department of Justice - Bureau of Alcohol, Tobacco, Firearms and Explosives - Bump Stock  
Rulemaking  
Docket Number: ATF-2018-0001  
**EXPEDITED Freedom of Information Act (FOIA) Request**

**VIA EMAIL: FOIAMail@ATF.gov**

Dear Stephanie Boucher,

Pursuant to the federal Freedom of Information Act, 5 U.S. Code § 552 (hereinafter "FOIA"), I submit the following request for documents from the Bureau of Alcohol, Tobacco, Firearms and Explosives (hereinafter "ATF"). If the requested documents are not available from ATF, I respectfully request that you forward this request to the appropriate agency that maintains the requested records or advise me of the identity of any such agency.

Status of Requester: I am attorney and scholar of firearms laws and related issues. I have been published by the Pennsylvania Bar Institute in a number of publications for attorneys on firearms law issues and maintain an active blog on firearms law issues at <http://blog.princelaw.com/category/firearms-law/>. As a result, I ask that you classify this request as made by a freelance journalist and I have been previously found, on numerous occasions, to be a freelance journalist for purposes of FOIA by ATF, FBI and DDTTC. In the alternative, I am requesting a fee waiver. This waiver is applicable under the Freedom of Information Act of 1986. It specifies, "[a] fee waiver or reduction can only be granted if the information furnished to the requester is likely to contribute significantly to the public understanding of the operations or

activities of the government and not primarily in the commercial interest of the requester." As this request is in relation to issues of public importance that will significantly assist the public in understanding the ATF's position in relation to its current rulemaking regarding bump stocks (ATF 2017R-22, RIN 1140-AA52, Fed. Register No. 2018-06292 - <https://www.regulations.gov/document?D=ATF-2018-0002-0001>), a fee waiver is appropriate. Although Firearms Industry Consulting Group ("FICG") has been retained by Firearms Policy Foundation ("FPF"), a 501(c)3 non-profit public benefit organization, in relation to this rulemaking, as both FPF and FICG intend to publicly post all documents received in response to this FOIA, any response will be provided to the public and is for the benefit of the public.

While I believe that my purposes fall directly within the standard set forth for a freelance journalist or, alternatively, for a "Fee Waiver," if you find that my purposes do not, I will agree to pay the appropriate fees up to \$100.00. If you estimate that the cost will exceed \$100.00, please advise me the estimated costs exceeding \$100, and I will make a decision on whether to proceed. Nonetheless, even with my agreement to pay, I retain the right to appeal any decision based on the fee waiver; and if successful, the return of any money, which was inappropriately paid, in relation to this FOIA.

Expedited Request: Pursuant to 5 U.S.C. § 552, I am requesting expedited review of this FOIA, as ATF has entered into rulemaking relative to the requested documents (ATF 2017R-22, RIN 1140-AA52, Fed. Register No. 2018-06292 - <https://www.regulations.gov/document?D=ATF-2018-0002-0001>), for which individuals, including myself, only have until June 27, 2018 to respond. As ATF has failed to include the requested documents in the docket and the absence of the requested documents would deny the public - including FPF, FICG, and myself - due process and the ability to formulate legal arguments and meaningful opportunity to participate in the rulemaking process, this request is proper for expedited review and processing. If the requested documents are not provided promptly, there will be an inadequate opportunity to review them and formulate meaningful comments before the deadline of June 27, 2018. Consistent with 5 U.S.C. § 552(a)(6)(E)(ii), I am requesting, as required, that a determination be made within 10 days.

Subject Matter of Request: This is a request for all ATF determinations relative to devices referred to as "bump stocks" and "bump-fire stocks" by ATF in its proposed rulemaking (ATF 2017R-22, RIN 1140-AA52, Fed. Register No. 2018-06292 - <https://www.regulations.gov/document?D=ATF-2018-0002-0001>), as well as, all ATF Form 9310.3A "Correspondence Approval and Clearance" forms relative to each determination, and any versions or drafts of the determinations, which were different than the final determination. The use of the word "determinations" shall be understood to mean any correspondence, whether in electronic or paper form, by ATF to any person, which shall include any individual, Member of Congress, corporation, limited liability company, and partnership, regarding the lawfulness or unlawfulness of any bump stock or bump-fire stock device, whether a sample device was submitted or not to ATF. A copy of two such known determinations are attached hereto as Exhibit A.

Temporal Scope of Request: Please limit your search for responsive documents to the period January 1, 2000 to the present.

Request for "Vaughn Index": In the event all or any part of an otherwise responsive document is withheld subject to a claim that one or more FOIA exemptions apply, please provide an index identifying the document or part thereof, by author(s), addressee(s), date, subject matter, and the

specific exemption asserted as a basis for failing to produce the complete document. If a document is withheld only in part, please mark the redacted document to indicate the deletion.

Waiver of Inspection: If search and copying costs are not estimated to exceed \$100.00, please send a copy of the documents to me at the address referenced below.

Request for Timely Action: As mandated by FOIA, 5 U.S.C. § 552(a)(6)(A)(i), I request your reply within twenty business days. The requested documents relate to a matter of current public concern so that time is of the essence. In the event you have any questions concerning this request, please contact me as soon as possible. I would be pleased to clarify any perceived ambiguity informally or to discuss ways to narrow my request so as to ensure a timely response.
